Financial Policy and Chiropractic Active Life Plans

We are committed to providing you with the best chiropractic care possible in a caring environment and have established our financial policies to achieve that goal. You will be expected to pay for your chiropractic care at the time the service is rendered unless you arrange an Active Life Plan in advance. Active Life Plans include yearly Corrective Adjustment Plans (CAP), monthly CAPs, weekly CAPs, or extended payment plans. These Active Life Plans are designed to be the most cost effective way to keep you and your family as healthy as possible. Details of these plans will be discussed with you during your Chiropractic Report.

- ❖ **Health Insurance:** If you have insurance that contributes to your chiropractic care, we will give you all of the information you need to get reimbursed quickly. This includes your diagnosis, prognosis, and copies of your records or reports. We have found it is easier for your record keeping, and ours, if we give you receipts at the end of your first visit and then once a month after that. Just send in your receipts with a copy of your claim form and your insurance company will communicate with you about your reimbursement. Remember, your agreement with your insurance company is between you and them.
- ❖ **Medicare:** Patients utilizing Medicare must show their card at the front desk. Your payment is required at the time of service. We will electronically file your Medicare claims and re-imburement will be sent to you directly. *Medicare adjustments range from \$19.16-\$28.12.
- ❖ **Preferred Chiropractic Doctor (PCD) Members:** As a member of PCD, you will receive special PCD fees as indicated by the fee schedule below. The cost to become a PCD member is only \$30 per year for an individual and \$45 per year for a family. As a PCD member, you can pay for your care at the time of each visit, or to speed up your appointments, weekly, monthly and yearly CAPs are available as well. ***PCD rates are \$40 for the first individual, \$20 for the second family member and \$10 for each additional family member of a household under age 21.***

With PCD, you will **not** get receipts to submit to your insurance company. You can, however, be given a receipt for tax purposes or a medical savings account (MSA) indicating the total amount you have paid for chiropractic care during the year. There is no insurance diagnosis given with these receipts.

*If you acquire insurance for a special situation such as an auto accident or a worker's compensation injury and choose to utilize that coverage, you will be charged our regular office fees until such claim is settled. We will help you get reimbursed quickly on these claims. Once the claim is complete, you can begin to pay PCD fees again.

To become a PCD member, simply fill out the application and pay your membership fee. We will gladly send it in for you. Your membership will be effective immediately. Ask our Chiropractic Team for a registration form.

I have read and I understand the above policies.
